

DROP-OFF FACILITIES IN CAPE TOWN

2WISE
2WASTE

Guidelines for dropping off your waste

RECYCLING

Make sure these are separated from non-recyclables.

GARAGE WASTE

Must be separated and contained. Can only be dropped off by residents.

CLEAN GARDEN WASTE

In bags/bundles no longer than 1,2 metres in length and not exceeding 60mm in cross section, and all roots must be removed.

CLEAN BUILDER'S RUBBLE

(Broken bricks, sand, stone, cement, plaster and similar materials)

Vehicles with clean builder's rubble exceeding 1,5 tons cannot enter the site and will be referred to the nearest disposal facility.

The City of Cape Town offers its residents free access to **25 recycling and waste drop-off facilities** where you are able to drop off recyclables, as well as bulky garage and garden waste.
