FOREWORD

Annually, the Provincial Cultural Affairs Awards celebrates various organisations and individuals who have profoundly impacted the arts, culture, language, heritage, museums, archives, geographical names and libraries sectors in the Western Cape. The Awards provide an opportunity to proudly acknowledge and showcase the diversity of our cultural landscape in the province.

This year, we augment the celebration of cultural affairs by honouring its significant role players as we officially acknowledge the centenary of our late great statesman, Tata Madiba. As the global icon for reconciliation and social inclusivity, Nelson Mandela ardently promoted cultural affairs as a powerful means to rebuild a once fractured nation. In fulfilling our mandate, we remain mindful of his legacy and lasting wisdom that "We might have our differences, but we are one people with a common destiny in our rich variety of culture and tradition".

Our cultural heritage and expressions thereof motivate unity, understanding and tolerance while simultaneously inspiring hope in a time when it is most needed. I wholeheartedly thank each and every nominee for selflessly reigniting optimism and encouragement in our communities through cultural engagements. Your special ability to bridge diversity and nurture tolerance has indeed contributed to greater insight into our nuances and allows us to embrace our diversity while fostering cultural inclusivity.

ARTIST (DESIGNER)

Burghen Siebert has been working as a freelance product designer in Cape Town since 2013. Having worked in a wide range of fields and collaborations, he specialises in material application, selection and manufacturing. Through a series of methodologies, he is trained in designing and managing product development according to specific project needs.

Every year DCAS and its partners honour individuals, organisations and groups whose efforts have made a difference to the cultural affairs landscape and to communities of the Western Cape. The awards also seek to honour those whose work contributes to strengthening the position of the province as the creative centre of the nation.

As a tribute to Nelson Mandela's legacy, this trophy brings together the symbolism of his flame, which surrounds and protects a Khoekhoe stone, an icon of our deep and diverse history. The slip cast Khoekhoe stone, a symbol for the importance of our national heritage, is contrasted by sandblasted Perspex flames. As one of Mandela's quotes says, 'Man's goodness is a flame that can be hidden, but never extinguished'. It is important for us to know that it takes, not only inspiring role models such as Madiba, but also each one of us to carry on the good nature and legacy of our country.

IGCISA (IDIZAYINA)

UMnu Burghen Siebert ngumyili wezinto, idizayina ngamanye amagama. Ungumntu oziseben-zelayo, othi aqeshwe ziinkampani ngamaxesha athile yaye waqala ukusebenza ngolo hlobo ngo-2013. Usebenze kwiinkalo ezininzi, maxa wambi esebenza ngendibaniselwano nabanye. Xa ephethe imathiriyeli, eyikhetha, ebumba izinto, kuphuhla ubungcali bakhe obumangalisayo. Lunabile uqeqesho alwenzileyo ebudeni bexesha, kodwa olona lukhethekileyo nesakhono atshatshele kuso kukuyila nokuvelisa iprodakthi ngokweemfuno zeprojekthi ephambi kwakhe ngelo xesha.

Nyaka ngamnye iSebe eli kunye namahlakani alo linika abantu, imibutho kunye namaqela adlale indima ephambili kuzo zonke iinkalo zemicimbi yenkcubeko nakulo lonke uluntu lwase-Ntshona Koloni imbeko ngokunika iimbasa. Ezi mbasa sikwasekeleze ukuwonga abantu abamisebenzi yabo inegalelo ekomelezeni nasekubekeni iphondo eli endaweni ephambili kwezobugcisa kweli lizwe.

Njengophawu lokubonisa imbeko kumzekelo awayenguwo ubawo uNelson Mandela, le mbasa ngentlanganisela yelangatye elilulphawu lwento awayeyiyo kunye nelitye lamaKhoekhoe elilijikelezileyo nelilikhuseleyo, ingumfuziselo wembali yeli lethu enzulu nentlantlu-ninzi. Eli litye lamaKhoekhoe libunjiweyo, elilulphawu lokubaluleka kwelifa lesizwe lemveli, lidityaniswe neplastiki etshisiweyo yabunkungu yaza yamiliswa ngokwelangatye lomlilo. Simcaphula kwenye yeentetho zakheoka-Mandela uthi, 'Ukulunga omntu lilangatye elikhe lizimele lingabonakali, kodwa libe lihleli likho, lingasokuze licime'. Kubalulekile ukwazi ukuba, akunyanzelekanga ukuba kuphelele ebantwini abanjengobawo uMandela ukuba ngumzekelo nokuba nomzila ebomini, kodwa umntu ngamnye kuthi unako ukuba nevuso, abe ngumzekelo omhle, ashiye umzila obonwa nguye wonke elizweni.

VOORWOORD

Die Provinsiale Kultuursake-toekennings vereer jaarliks verskeie organisasies en individue wat 'n betekenisvolle impak gehad het op die kuns-, kultuur-, taal-, erfenis-, museum-, argief-, geografiese name en biblioteek sektore in die Wes-Kaap. Die toekennings bied die geleentheid om die diversiteit van ons kultuur-landskap in die provinsie met trots te erken en ten toon te stel.

Hierdie jaar brei ons die viering van kultuursake verder uit en vereer sy belangrike rolspelers wanneer ons die eeufees van die groot staatsman, wyle Nelson Mandela, amptelik vier. As die wêreld-ikoon vir versoening en maatskaplike integrering, het hy met vuur en ywer kultuursake bevorder as 'n kragtige manier om 'n eens gebroke nasie te herbou. Tydens die nakoming van ons mandaat bly ons bewus van sy nalatenskap en tydlose wysheid wanneer ons onthou dat "ons ons verskille kan hê, maar steeds een volk is met 'n gemeenskaplike lot in ons ryk verskeidenheid van kultuur en tradisie".

Ons kultuurerfenis en uitdrukkings daarvan motiveer eenheid, begrip en verdraagsaamheid terwyl ons tegelykertyd hoop inspireer op 'n tydstip in die geskiedenis van ons land wat dit broodnodig is. Ek dank elkeen van die benoemdes vir die selflose wyse waarop hulle optimisme en aanmoediging in ons gemeenskappe deur kulturele betrokkenheid bevorder het. U besondere vermoë om diversiteit te oorbrug en om verdraagsaamheid te bevorder, het inderdaad bygedra tot groter insig in ons nuanses en ons kan ons diversiteit omhels terwyl ons kulturele inklusiwiteit bevorder.

Anroux Marais

KUNSTENAAR (ONTWERPER)

Burghen Siebert werk sedert 2013 in Kaapstad as 'n vryskut-produkontwerper. Hy het in 'n wye spektrum van velde gewerk en was deel van 'n hele aantal kollaboratiewe pogings. Burghen spesialiseer in materiële toepassing, seleksie en vervaardiging. Die opleiding wat hy ontvang het sluit 'n aantal metodologieë in en hy fokus spesifiek op ontwerp en die bestuur van produkontwikkeling volgens spesifieke projekbehoeftes.

Elke jaar vereer DKES en sy vennote individue, organisasies en groepe wie se pogings 'n verskil gemaak het in die kultuurlandskap en die gemeenskappe van die Wes-Kaap. Die toekennings poog ook om diegene te vereer wie se werk bydra tot die bevordering van die posisie van die provinsie as die kreatiewe sentrum van die nasie.

As 'n huldeblyk aan Nelson Mandela se nalatenskap, verenig hierdie trofee die simboliek van sy vlam, wat 'n Khoekhoe-klip omring en beskerm, 'n ikoon van ons ryke en diverse geskiedenis. Die slibgiet Khoekhoe-klip, 'n simbool van die belangrikheid van ons nasionale erfenis, word gekontrasteer met sandgeblaasde Perspex-vlamme. Een van Mandela se aanhalings lui: 'Die mens se goedheid is 'n vlam wat weggesteek kan word, maar nooit geblus kan word nie.' Dit is belangrik dat ons sal onthou dat dit nie net inspirerende rolmodelle soos Madiba is wat die mensdom nodig het nie, maar ook dat elkeen van ons die goeie aard en nalatenskap van ons land sal voortsit.
